## DEMANDS OF EAST END SET FORTH IN RESOLUTIONS

The preamble and nineteen distinct clauses filled a finely-printed four-page folder and reiterated at length the demands of the East End as set forth in resolutions recently adopted by the three organizations named. Among the provisions demanded are these: The life of any franchise to be granted is not to exceed ten years. There shall be no change from the existing franchise system east of Eleventh Street and north of the river. The present six-for-a-quarter tickets, school and labor tickets and transfers shall be retained until the new franchise provision shall be made in the new franchise for the substitution within a specified period of an underground trolley system for the present overhead trolleys on all main and branch lines. The City Council shall reserve the right to permit a rival company operating on the Broad Street hill to the city to operate over any and all tracks belonging to either company upon payment to the holding company of one-half the cost of construction and equipment of the tracks so used and one-half the cost of operating upon them. The company shall be required to reconstruct promptly the tracks and roadbed on the Broad Street hill to be in a "dilapidated condition." The company shall be required to maintain a minimum five-minute schedule on all main or double-track lines.
